Thorbjørn Skjønnemann

Customer Operations · E-commerce Growth ·
Sales Support · Nordic Markets

PROFESSIONAL SUMMARY

Danish profile across operations, sales support, and e-commerce growth with 7+ years across Factor/HelloFresh, Nordic customer operations, team leadership, and commercial execution.

Combines KPI follow-up across 3000+ monthly cases, escalations, B2C reactivation, B2B appointment setting, IT troubleshooting, visual content work, and practical web-/AI workflows.

Currently freelancing through Upwork and own digital projects, while ready to step into a full-time role where customer insight, sales potential, structure, and execution need to connect.

CORE COMPETENCIES

Operations & Leadership

- Nordic team lead and customer operations experience
- KPI follow-up, quality, and process improvement
- Escalations, cross-functional support, and documentation

Sales & Commercial Support

- B2C sales, reactivation, and retention support
- B2B appointment setting and outbound experience
- Customer dialogue turned into sales opportunities and improvements

E-commerce & Digital Growth

- Web materials, WordPress, and HTML/CSS adjustments
- Google Ads, campaign logic, and conversion tracking
- AI tools, content support, and workflow optimization

Design & Communication

PROFESSIONAL EXPERIENCE

Freelance & Independent Digital Projects — Upwork / Own Projects

02/2026 – Present

- Working on digital projects focused on website setup, funnel structures, and customer acquisition testing.
- Co-developing a web-based rental management platform focused on user flow, structure, and conversion-oriented design:
<https://spotmanager.onrender.com>
- Developing and producing a digital content project (YouTube), focused on concept, storytelling, sound design, and production from idea to execution: <https://www.youtube.com/@thalassophobiafilm>

Customer Care Lead — Factor / HelloFresh Nordics & Germany

2025 – 02/2026

- Led customer care work across DK, SE, NO, and DE markets, including escalations, quality follow-up, and internal guidelines.
- Analysed 3000+ monthly customer cases to identify recurring issues, improve efficiency, and support retention-focused decisions.
- Worked with marketing, brand, legal, and operations to align customer-facing communication and process changes.
- Created onboarding material, training structures, and documentation to improve consistency across teams.

Sales Team Leader — HelloFresh Nordics

2022 – 2024

- Coordinated sales teams of 10 agents across DK, SE, and NO with focus on conversion, retention, and follow-up quality.
- Improved sales routines, lead handling, and reactivation processes for more consistent execution.
- Collaborated with marketing on campaign messaging, targeting, and feedback from sales conversations.

Customer Service Representative — HelloFresh Denmark

2018 – 2020

- Handled high-volume customer support across orders, logistics, payments, subscriptions, and technical issues.
- Supported launch-phase service processes, internal documentation, and solution-oriented customer communication.

IT Helpdesk & Troubleshooter — CGI Inc.

2018 – 2019

- Provided Tier 1–2 technical support for end users and internal teams.
- Documented fixes and recurring issues to improve resolution speed and reduce repeated problems.

Sales & Operations — 3o-BPO Inc.

2014 – 2015

- Supported B2B outreach, appointment setting, LinkedIn/email prospecting, customer communication, and operational follow-up.
- Worked on client outreach and sales-support activity, including the Daniel Wellington case where outsourced customer support in the Philippines became part of the delivery model.
