Customer Operations & Growth Professional

PROFESSIONAL SUMMARY

Customer Operations & Growth professional with 7+ years of experience across customer care, sales operations, and cross-market execution in high-volume environments.

Proven track record of improving customer experience, conversion, and operational consistency through structured processes, KPI-driven insights, and close collaboration with marketing and product teams.

Experienced in leading multi-market operations (DK, SE, NO, DE) and translating customer data into practical improvements that drive retention, efficiency, and revenue impact.

Strong communicator with a pragmatic, execution-focused mindset. Comfortable working remotely and using digital and AI tools to scale workflows and output quality.

Open to both full-time employment and freelance/consulting engagements.

Experience supporting both operational execution and commercial growth initiatives in B2C environments.

PROFESSIONAL EXPERIENCE

Independent Projects & Freelance Work

02/2026 – Present

- Working on digital projects, focusing on website setup, funnel structure, and customer acquisition testing.
- Co-developing a web-based apartment rental management platform focused on user flow, structure, and conversion-oriented design: <https://spotmanager.onrender.com>
- Developing and producing a digital content project (YouTube), covering concept, narrative design, voice direction, and end-to-end audio production: <https://www.youtube.com/@thalassophobiafilm>

Customer Care Lead — Factor (HelloFresh Nordics & Germany)

2025 – 02/2026

- Led and coordinated customer care operations across DK, SE, NO, and DE markets.
- Owned customer communication standards, escalation frameworks, and quality initiatives across multiple regions.
- Drove KPI analysis across 3000+ monthly customer tickets/customers, identifying trends to improve retention and efficiency.
- Collaborated cross-functionally with marketing, brand, legal, and operations to align customer-facing initiatives.
- Developed onboarding materials, training structures, and internal documentation to improve consistency and performance.

Sales Team Leader — HelloFresh Nordics

2022 – 2024

- Coordinated and supported sales teams of 10 agents across 3 markets, improving conversion and retention.
- Improved follow-up processes and sales structure to increase conversion and retention.
- Worked closely with marketing on campaign execution, messaging, and lead handling.
- Contributed to performance tracking, reporting, and operational consistency across teams.

Customer Service Representative — HelloFresh Denmark

2018 – 2020

- Delivered high-volume customer support across orders, logistics, payments, and technical issues.
- Supported launch-phase service processes and internal documentation.
- Maintained strong customer satisfaction through clear, solution-oriented communication.

IT Helpdesk & Troubleshooter — CGI Inc.

2018 – 2019

- Provided Tier 1–2 technical support for end users and internal teams.
- Documented solutions and contributed to reducing repeat technical issues.

Sales & Operations — 3o-BPO Inc.

2014 – 2015

- Supported sales pipelines, customer communication, and operational follow-up.
- Assisted with influencer coordination, campaign execution, and reporting.
